*Compatible with VSN700-03 (up to 10 string inverters + 1 VSN800 per logger) and VSN700-05 (up to 64 devices per logger)
 ** Through VSN700 Data Logger accessory (VSN700-03/05)
 *** In combination with PMU expansion board (3N270000000A)
 **** Both remote (internet access needed) and local monitoring (internet access not needed) supported
 ***** Service personnel only
